Worship Service Options in Granville, Ohio

AT THE CONFERENCE

Non-Denominational Service
Sunday, February 17, 8:30-9:15 a.m.
Room C

Join us for spiritual nurturing and community. Pastor Charlie Frye will lead a discussion, entitled *Connecting Scripture, Sustainable Living, and Sustainable Agriculture*, that explores how Scripture encourages the nurturing and caring of the Earth. He'll highlight thoughts and reflections by authors such as Wendell Berry, Wes Jackson, and others in his talk, and provide time for questions and discussion.

Charlie, a past president of the OEFFA board, served as a United Methodist pastor for 30 years. He and his wife, Nancy, have been OEFFA members for more than 30 years and live on 50 acres in Ashland County, which includes a garden and 40 heirloom fruit trees, blueberries, and asparagus plants.
